

A photograph of two students, a young man and a young woman, seen from behind. They are standing on a balcony or walkway with a white metal railing, looking out at a modern building with a glass facade and blue-tinted windows. The young man is wearing a backpack. The overall color palette is cool, with blues and greys, and the lighting is soft.

scholarships are open.

is this your year?

**US to Australia application period:
August 1 - September 30 2026**
