Approved education provider (provider)—In this booklet, this term means a university or other accredited higher education provider approved by the Australian Government to offer CSPs and/or the Higher Education Loan Program (HELP) to eligible students.

Asia—Refers to the following countries: Bangladesh, Bhutan, Brunei, Cambodia, China, Democratic People’s Republic of Korea (North Korea), Hong Kong, India, Indonesia, Japan, Laos, Macau, Malaysia, Maldives, Mongolia, Myanmar, Nepal, Pakistan, Philippines, Republic of Korea (South Korea), Singapore, Sri Lanka, Taiwan, Thailand, Timor-Leste and Vietnam.

Australian Taxation Office (ATO)—The ATO is the principal revenue collection agency of the Australian Government. The ATO is responsible for managing HELP debt repayments.

Commonwealth supported place (CSP)—A place at a provider that is subsidised by the Australian Government. Students only have to pay the ‘student contribution amount’ for their study.

Commonwealth supported student—A student who is enrolled in a CSP.

Electronic Commonwealth assistance form (eCAF)—An electronic version of the form you must submit to your provider to request a HELP loan and/or accept an offer of a CSP.

Equivalent full-time student load (EFTSL)—This is how your study ‘load’ (or intensity of study) is measured. For one year, a full-time student is normally enrolled in one EFTSL of study.
Higher Education Loan Program (HELP)—Australian Government loans that help eligible students pay their student contributions (HECS-HELP), tuition fees (FEE-HELP or VET FEE-HELP/VET Student Loans), overseas study expenses (OS-HELP) or the student services and amenities fee (SA-HELP). HELP loans are repaid through the Australian tax system once people earn above the compulsory repayment threshold.

Higher Education Support Act 2003 (the Act)—The Commonwealth legislation that outlines the requirements for getting a CSP and/or a HELP loan.

New Zealand Special Category Visa (NZ SCV)—If you arrived in Australia using a New Zealand passport, in the absence of another valid Australian visa, you will have automatically received a SCV provided you met certain security, character and health requirements. It is a temporary visa that expires as soon as you leave Australia, but it remains in place for as long as you remain in Australia.

If you are a New Zealand citizen and hold a SCV you may be able to access a CSP and HELP loans, providing you meet all of the following requirements:

- first began to be usually resident in Australia at least 10 years before the test day*;
- at that time, you were a dependent child** under the age of 18 with no spouse or de facto partner; and
- have been in Australia for at least:
  - a total of 8 out of the last 10 years immediately before the test day; and
  - a total of 18 months out of the last 2 years immediately before the test day.
- are otherwise eligible for a HELP loan.
NZ SCV residency requirements

You must provide evidence to your provider, on or before the census date, that you first began residing in Australia as a minor at least 10 years before the test day.

You can do this by requesting your International Movement Record from the Department of Home Affairs.

*‘test day’ means the first day you successfully applied for a HELP loan as an eligible NZ SCV holder for a unit that formed part of the same course of study. If you have not previously applied for a HELP loan for a unit that forms part of your course of study then the ‘test day’ is the date you submit your form.

**Under the Act, a ‘dependent child’ is someone who is aged under 18 and does not have a spouse or de facto partner.

Specific enquiries about SCVs and other visas should be directed to the Department of Home Affairs at (www.homeaffairs.gov.au).

Tax file number (TFN)—Your unique identification number from the ATO for everything tax-related, it’s needed for obtaining your HELP loan and making HELP debt repayments.
1. THE OS-HELP LOAN SCHEME

1.1 What is OS-HELP?
OS-HELP is a loan available to eligible students enrolled in a Commonwealth supported place (CSP) who want to do some of their study overseas. OS-HELP can be used for a range of expenses, such as air fares, accommodation and other travel or study expenses.

Eligible students may also receive a supplementary amount to undertake language study in preparation for overseas study in Asia.

1.2 Am I eligible for OS-HELP?
You can get an OS-HELP loan if you meet ALL of the following requirements:

- you have been selected by your provider to receive an OS-HELP loan for a six-month period (contact your provider directly to find out about their application process),
- you are an Australian citizen, permanent humanitarian visa holder or a New Zealand Special Category Visa (NZ SCV) holder who meets the long-term residency requirements and will be resident in Australia at the time of applying,
- you have not received an OS-HELP loan more than once before, and you will not receive a second OS-HELP loan for the same six-month period,
- your overseas study is undertaken in the relevant six-month period,
- you are enrolled with a provider as a Commonwealth supported student and have completed one EFTSL of study (usually one year of full-time study), in Australia that counts towards the course you are enrolled in,
- you will be studying full-time overseas and your overseas study will count towards the requirements for the Australian course in which you are enrolled,
- you will have at least 0.125 EFTSL of your course left to complete in Australia once you have finished your overseas study (usually one unit of study),
• you meet the TFN requirements (see section 2.1),
• you have lodged a completed OS-HELP debt confirmation form with your provider, and
• you have read this booklet.

To be eligible for a supplementary amount for Asian language study in relation to a six-month period you must:
• have been selected for OS-HELP for overseas study in Asia for that six-month period,
• be undertaking language study in preparation for undertaking that overseas study,
• have indicated on your OS-HELP debt confirmation form that you would like to receive a supplementary amount for Asian language study,
• have been selected by your provider to receive a supplementary amount for Asian language study, and
• have not yet completed the Asian language study before applying for the supplementary amount.

1.3 How much can I borrow?
In 2019, the maximum you can borrow for a six-month study period is:
• $6,791 if you will be studying outside of Asia, or
• $8,149 if you will be studying in Asia.

You can borrow an additional $1,085 if you will be undertaking Asian language study in preparation for study in Asia.

These amounts are indexed on 1 January each year.
The amount you can borrow using an OS-HELP loan is determined by your provider in accordance with their OS-HELP policy, the OS-HELP Guidelines and the Higher Education Support Act 2003.

You are limited to two OS-HELP loans over your lifetime and there is a limit of one OS-HELP loan per six-month period. If you are studying overseas for two consecutive six-month periods, you may be able to access an OS-HELP loan for each of those six-month periods. Your period of overseas study must take place within the relevant six-month period.

1.4 Will I be charged interest?

There is no interest charged on HELP debts. However, after your debt is more than 11 months old it is subject to indexation which is applied on 1 June each year. HELP debts are indexed to maintain the real value of the debt by adjusting it in line with changes in the cost of living as measured by the Consumer Price Index. Indexation rates are published on the ATO website, visit www.ato.gov.au/indexation.
2. APPLYING FOR AN OS-HELP LOAN

2.1 How do I apply for OS-HELP?

To apply for an OS-HELP loan, you must submit a valid OS-HELP debt confirmation form to your provider.

If you want to use an OS-HELP loan to pay for your overseas study, you must meet the TFN requirements:

- you must give your provider your valid TFN, name, date of birth and address information by the date required as part of your application. Your details must match the information held with the ATO, if there is a mismatch between the information on your application and ATO records, you will not be able to access a loan until you correct the error.

- if you do not have a TFN, you can give your provider a Certificate of Application for a TFN (certificate). This certificate is available from the ATO after you have applied for a TFN. You must advise your provider of your TFN within 21 days of receiving it.

You have to provide your TFN because repayments on your HELP debt are made through the Australian taxation system. For information on correcting a TFN mismatch see the student fact sheet called Tax File Number (TFN) Mismatch at www.heimshelp.education.gov.au.
2.2 How is my loan amount paid to me?
If you are selected for an OS-HELP loan, your provider will pay the loan amount directly to you. You will have a HELP debt immediately following this payment.

Your provider will notify you in writing that you have been selected for an OS-HELP loan, the loan amount and the conditions of receiving the loan.

2.3 Is there a loan or application fee?
No. There is no loan or application fee for accessing OS-HELP.
3. KEEPING TRACK OF MY HELP LOAN

3.1 My Commonwealth Higher Education Student Support Number (CHESSN)

You will be allocated a CHESSN when you first apply for admission to your provider or Tertiary Admissions Centre. Your CHESSN is a unique identification number that remains with you for the whole of your student life. Your CHESSN is NOT your student ID number (which is issued by individual providers).

Your CHESSN helps providers and the Government identify you, so you can be given important information about your HELP loan(s). If you don’t know your CHESSN, you can contact your provider to get it.

There is a section at the beginning of this booklet where you can record your CHESSN for future use.

3.2 Keeping track of what I borrow

You can use the myUniAssist website to keep track of what you have borrowed and what your remaining entitlements are.

myUniAssist

This website helps you keep track of how much you have borrowed under the various HELP loans from 2005 onwards. It also provides information on how much Commonwealth assistance you have received. When you log on to myUniAssist, you can see an itemised account of each HELP loan that you have used.

Please note the following about myUniAssist:

- the information is displayed on a per-unit basis,
- there is a time lag to update your information on myUniAssist so bear this in mind when calculating your loan totals,
- myUniAssist will not show any details about SA-HELP loans or any loans used for pre-2005 study (including former HECS, OLDPS, PELS and BOTPLS loans).
You will need your CHESSN and other personal identifying details to access myUniAssist via the Study Assist website at www.studyassist.gov.au.

myUniAssist does not show the indexation that has been applied to your debt, any repayments you have made, or what you have left owing to the Government—see section 4.4 for instructions on how to get your current HELP debt information.

3.3 Can I cancel my OS-HELP loan?

Once you have received an OS-HELP loan, it cannot be cancelled. You will have a HELP debt immediately after the payment.

You have to repay your HELP debt through the Australian taxation system, even if you fail or do not complete either the Australian or overseas portion/s of your study/Asian language study.
4. REPAYING MY HELP DEBT

4.1 When do I start paying back my loan?

Your OS-HELP debt becomes part of your accumulated HELP debt. You must start repaying your HELP debt through the tax system once your income is above the compulsory repayment threshold, even if you are still studying. The threshold is adjusted each year and for the 2018–19 income year, it is $51,957 or above. Repayments made through the Australian taxation system are called ‘compulsory repayments’ and continue until you have repaid your whole debt.

Your compulsory repayment is calculated from the amounts given on your income tax return, including:
- your taxable income,
- reportable fringe benefits (reported on your payment summary),
- total net investment loss (including net rental loss),
- reportable super contributions, and
- exempt foreign employment income amounts.

4.2 Overseas debt repayments

If you go overseas and have a HELP debt, you may be required to notify the ATO and make repayments against your HELP debt in the same way as if you were living in Australia.

If you already live or intend to move overseas for a total of 183 days or more in any 12 month period, you will be required to notify the ATO of your intention to remain outside of Australia by completing an Overseas Travel Notification, and updating your contact details through ATO online services within seven days of leaving Australia.
You may also need to either report your world-wide income or complete a non-lodgement advice annually, depending on your tax residency status and the amount of world-wide income you have earned for the year.

For more information visit www.ato.gov.au/overseasrepayments.

4.3 How much will my repayments be?

The amount you repay each year is calculated as a percentage of your world-wide income. The repayment percentage increases as your income increases, so the more you earn, the higher your repayment will be, but it is capped at 8% of your income.

The ATO will calculate your compulsory repayment for the year and include it on your income tax notice of assessment.

4.4 myGov
Logging on to ATO’s online services via myGov will show you a running total of your current HELP debt that is left to repay, including:

- your current HELP debt (which includes HECS-HELP, OS-HELP, SA-HELP, FEE-HELP and VET FEE-HELP/ VET Student Loans as a consolidated amount),
- any indexation that has been applied to your debt, and
- any repayments you have made, so you can see how much of your HELP debt you have left owing to the Government.

To access the ATO’s online services, you need to create a myGov account and link to the ATO. Find out how at www.ato.gov.au/OnlineLoanBalance.

If you already have a myGov account linked to the ATO, you can log in at any time.

4.5 Can I make a voluntary repayment?
Yes. You can make a voluntary repayment of any amount to help reduce the balance of your account faster at any time. Any voluntary repayments you make are in addition to the compulsory repayments made through your tax return.

There are several ways you can make a voluntary repayment, including through ATO online services (via myGov), via BPAY and credit card.

For more information about voluntary repayments visit www.ato.gov.au/voluntaryrepay.
4.6 Are repayments tax deductible?
Compulsory repayments are not tax deductible. Voluntary repayments made by you or someone other than your employer are not tax deductible. Your employer may be able to claim a tax deduction for voluntary repayments it makes on your behalf, but it may also be liable for fringe benefits tax on the repayments. For more information, visit www.ato.gov.au/voluntaryrepay.

4.7 Are there other repayment options if I am facing financial hardship?
If you are struggling to make your compulsory HELP repayment or repayment of your overseas levy, there may be some options to relieve the stress. Depending on your situation, you may be eligible to apply for a payment plan or a deferral of your repayment obligations for the year. Find out more by visiting www.studyassist.gov.au.
